Product Description

Product Description
High-Quality, Easy-to-Use Wireless Compact Photo Printer

From the Manufacturer

The SELPHY CP900 Wireless1 Compact Photo Printer brings photo lab quality to your memories as built-in Wi-Fi opens up all kinds of wireless printing possibilities from almost anywhere in your house, and even beyond.

The CameraWindow app lets you transfer pictures taken with your PowerShot ELPH 320 HS or ELPH 530 HS to your iPhone, iPad or iPod touch. And with the free Easy Photo Print app, you can wirelessly print JPEGs from your iOS devices directly to the SELPHY CP900.2

Print beautiful, borderless photos in vibrant color or Black and White in Postcard or Card size. These prints will be water-resistant and can last up to 100 years!3 You'll enjoy water resistant photo lab quality prints and have fun all at the same time. Preview your images on the 2.7" Tilt-up LCD and easily turn your favorite pictures into an art-inspired collage with the image Shuffle feature.

Portrait Image Optimize automatically delivers face detection, backlight correction and noise reduction to your images while Red-eye Correction automatically reduces red-eye in flash photos for superb prints. Another great part about the SELPHY CP900 Compact Photo Printer is that you don't need a computer to have fun - just print directly from compatible memory cards4, phones, tablets and cameras. And print just about anywhere and anytime with its NB-CP2L optional battery5.

OVERVIEW

For the 9th year in a row, Canon U.S.A. is proud to have received the 2012 Readers' Choice Award for Service & Reliability from PCMag.com for Printers.*

FEATURES & BENEFITS

SPEED & QUALITY

High-quality Prints:
Dye-sublimation technology uses heat to transfer ink to the paper, reproducing approximately 16.8 million colors for amazing pictures in both color and black and white. Then, a clear protective coating is added which helps prevent against damage from light, water and gases so your precious photos can last for generations.

Fast, Long-lasting Prints:
Print a photo in just 47 seconds6 and share for generations! Photos printed from your SELPHY will be water-resistant and last up to 100 years3.

EASE OF USE

2.7" Tilt-up LCD:
Easily view, select and edit your images for simple, computer-free printing with this adjustable full-color display. No downloading needed, just pick your picture and print!

Beautiful & Borderless:
Print gorgeous edge-to-edge, borderless photos in Credit Card and Postcard Sizes.

My Colors:
Have fun with your prints as 5 colors effects are offered for added versatility: Black & White, Sepia, Vivid, Neutral and Positive Film.

Portrait Image Optimize:
For automatic facial detection and correction, Portrait Image Optimize optimally corrects images where subjects or faces appear dark due to strong backlighting.

Red-eye Correction:
Images are automatically corrected for red-eye in flash photos and enhanced for superb prints.

CONNECTIVITY

Built-In Wireless:
New wireless1 capabilities let you print right from your computer or iOS device2.

Memory Cards / USB Flash Drive & PictBridge:
Don't feel like using a computer? No problem. Just insert a compatible memory card4 into the built-in card slot, or a USB Flash Drive into the USB port, select images on the LCD display, and print! Thanks to a PictBridge connection you can also print photos directly from your compatible digital camera, DV camcorder or camera phone.

Optional Battery:
The optional NB-CP2L (requires CG-CP200 Charger Adapter - sold separately) is your path to truly portable printing power. Add this battery and charger adapter to your SELPHY CP900 Compact Photo Printer and you can print your memories right where you stand!5

USB:
Plug the cable into your computer for a fast connection for your data transfers.
