Product Information

Panasonic LUMIX DMC-S3 DSLR camera - a perfect device that will not just let you capture your memories, but will also let you add creativity to the special pictures. With a 4x optical zoom, the Panasonic LUMIX DMC-S3 brings distant objects four times closer without losing on the sharpness. The 2.7-inch LCD screen on this Panasonic 14.1 MP camera makes it easy to view photos, read menu, and compose shots. Be it in normal or zoom mode, the f3.1-6.5 aperture helps this Panasonic 14.1 MP camera deliver sharp and vibrant photos always. With a built-in flash, this DSLR camera lets you click bright pictures even in low-light conditions. What's more, a USB 2.0 port in this Panasonic 14.1 MP camera lets you easily transfer data to your PC, letting you share your moments on social networking sites like Facebook, MySpace, and more.
